SENSATIONAL SMALL CAPS!

TRUCKER is the new name for this font based upon Fornicator, originally released in 1996. It works as a strong industrial logo font, with a stylish lowercase set that rests a bit above the baseline, giving the lowercase a letters a little lift. End a capitalized word with an extra capital letter for more dramatic “bookend” effect.

The new **SMALL CAPS** feature, with more restrained small caps, was added in 2005.
